Memo to: Jimmy Jividen

From: John Allen Chalk

Date: February 20, 1970

Dear Jimmy:

I just finished reading your third and concluding article on "Tongues." I want to compliment you on a very thorough and clear job of both research and writing. I am convinced that these articles will help bring greater understanding on the part of many brethren regarding this phenomenon.

I am sure that in the days ahead many of us will find opportunity to use the material you have put together. I wanted you to know of my personal appreciation for it.

Your brother,

John Allen Chalk
